Mithun shouted at his pet cat, " Go and catch the mouse". Cat hid under the bed.
Mithun shouted, " Mouse" and ran with the cat.

" I will catch the mouse," said the mom bravely. She picked up the broom and started looking here and there. Dad shouted, " It is right behind you". Mom hid under the bed seeing the mouse.

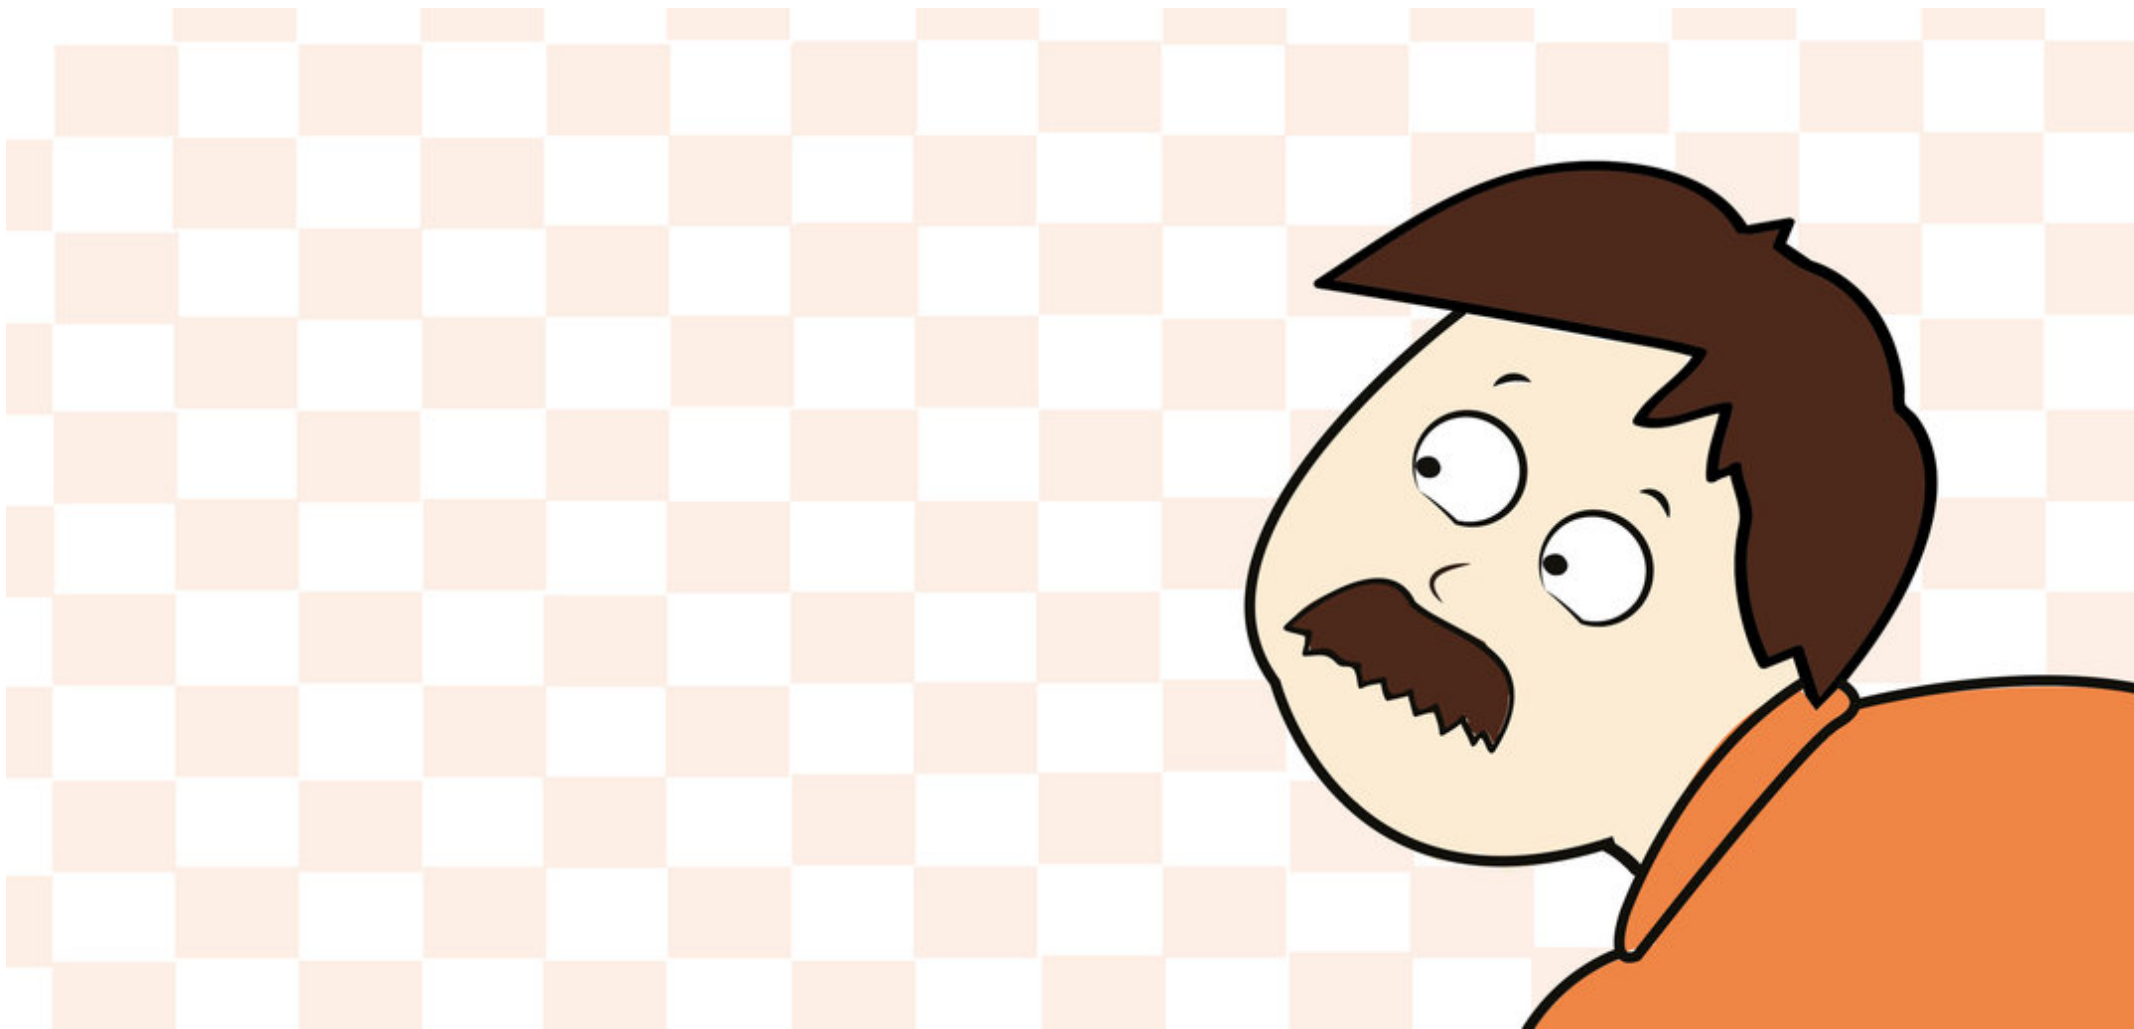

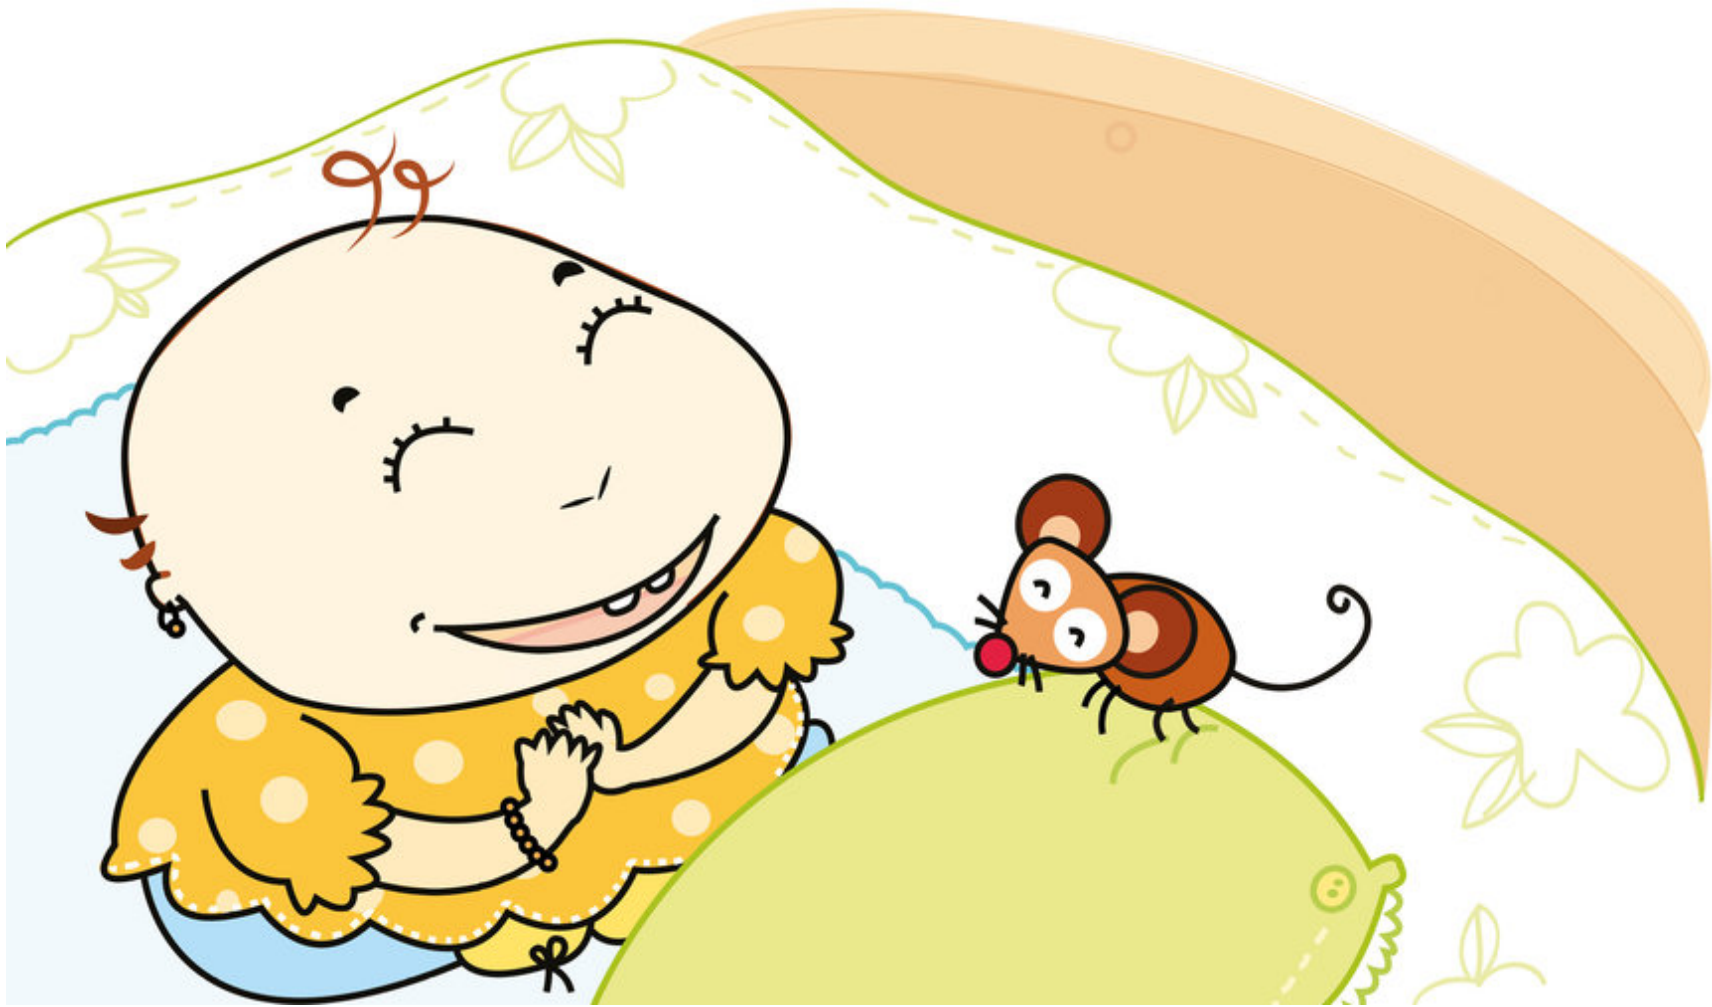

Granny got down from the sofa and said, " I know what to do".She rolled the newspaper and started looking for the mouse.

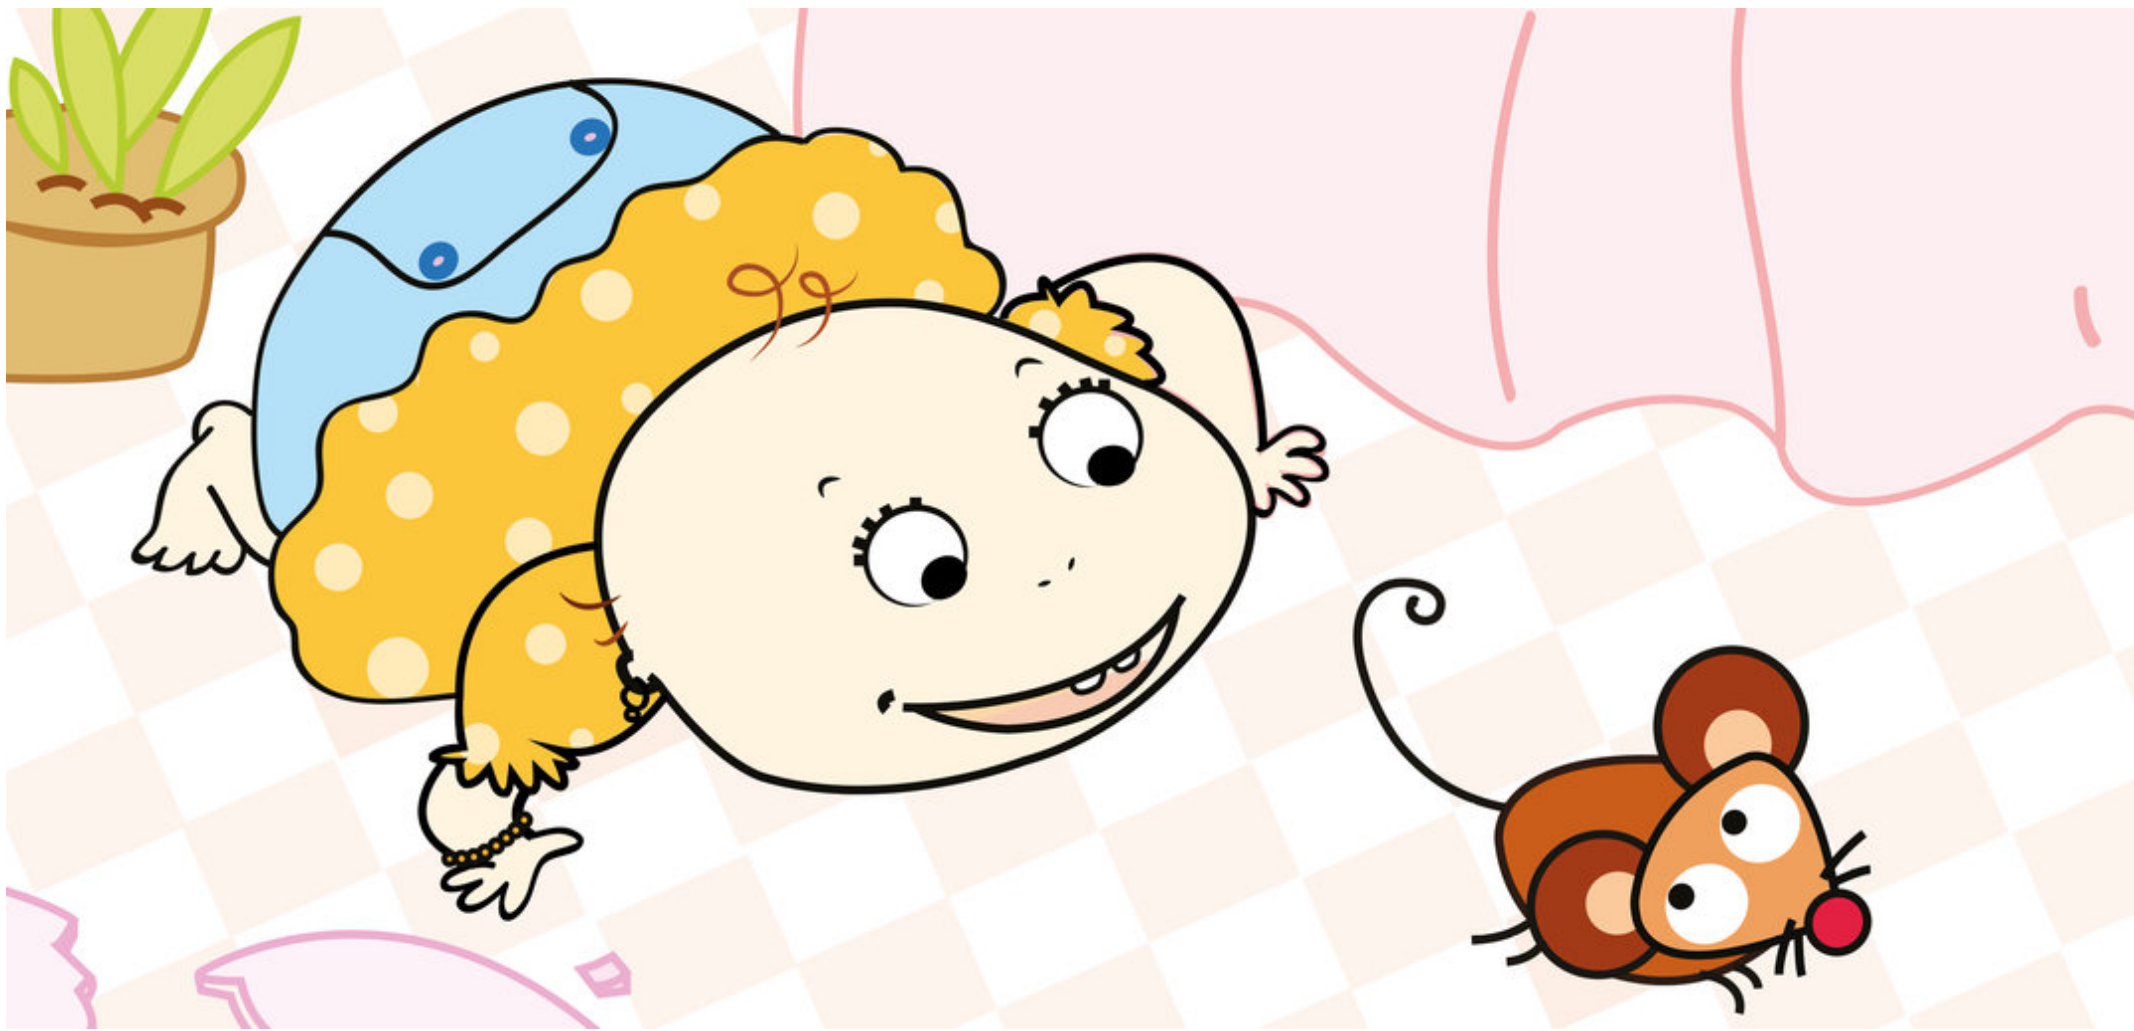

" Mouse is right next to you," shouted Dad hanging from the window. Granny saw the mouse and hid under the bed. Dad said softly , " what should I do now?"

Dad could not go higher on the window.He came down from the window and hid under the bed before mouse could see him.

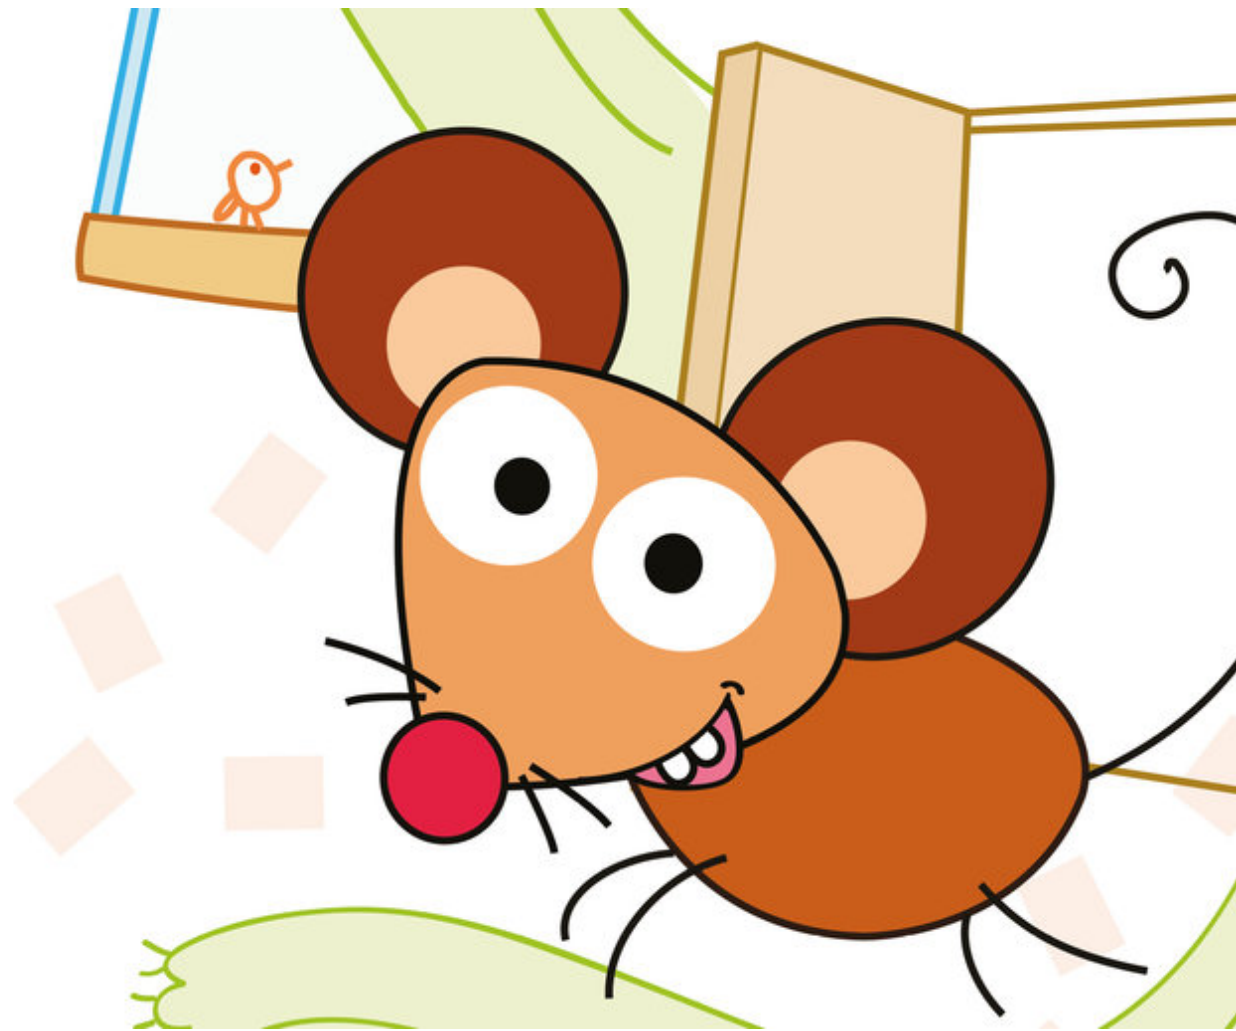

" Mouse in the house," shouted everyone together. Hearing the noise ,Choti got up from her sleep and sat on the rug. But who is sitting on her pillow ???

It had two eyes, four legs and one long tail. " Mouse!" shouted Choti and she ran after the mouse.

They jumped on the sofa, climbed on the window and rolled on the pillows.

They ran on the curtains and tripped on the plates and phew!! mouse was out of the house.
