Level 2

Toot-Toot was very happy. She was going to the pond for the first time. Bath time!

At first, Toot-Toot was scared of the water.

But when she saw all the other goats splashing around, she jumped in!

Everyone laughed. Everyone splashed. Everyone played and played!

Toot-Toot soon found bubbles all around her.

They were going ***blorp blorp blorp!*** She was a little afraid.

But she soon got over it.

Toot-Toot began to jump, dance and twirl through the bubbles.

After that fun day, Toot-Toot began to wonder, "How are bubbles made?"

She asked her Baba. Baba said he didn't know.

Toot-Toot asked her
Ma.

Ma said she didn't
know, either.

So Toot-Toot decided to solve the bubble mystery all by herself.

She flapped her tail in the water...

She blew into the water
with all her might...

But she didn't make a bubble!

One day, Toot-Toot's tummy was hurting. She wondered what to do.

She decided to bathe
in the pond's cool
water.

There was a deep rumbling in her tummy.

Suddenly, gas escaped from Toot-Toot! **Pssshhhhtttt!**

As the gas shot through the water, bubbles popped up to the water's surface. ***Blop blop blop!***

Finally, Toot-Toot had solved the bubble mystery!

Now, whenever it's bath day, Toot-Toot makes the most magnificent bubbles of all.

After her first bath day, Toot-Toot's sister asked her how bubbles were made.

And what did Toot-Toot say? Why, she told her sister she didn't know!
