Level 2

one day Keyur told his mother, i want to be a superhero, but i still don't know what are my superpowers. I can't create webs like spiderman. I ate a lot yesterday but i still can't lift things like captain america. and i definitely can't move fast like flash. how will i become a superhero, he asked his mother.

His mother looked at him with a smile and told him, I have a superpower and I can transfer it to you.

What? You never told me you have a superpower. Do you go out in the night and fight crime like Batman, Keyur asked her.

I can't tell you that but I can share my superpower secret trick with you, she told him.

Yes please, he begged her.

Okay, here it is, I can turn my body hard and not get tickled whenever I want, she whispered in his ears.

"Is that a superpower?" he asked her.

Yes ofcourse, she told him.

Imagine, when the criminals are tickling all the superheros, and they are busy laughing instead of fighting, you will not be affected at all, she told him.

But mama, i have read so many comic books and i still don't know how to be a strong person who does not get tickled, he told her sadly.
You just need to tell your body very seriously not to get tickled. This is my secret trick but don't tell this to anyone else, she told him.

Are you ready? Should we try it, she asked him.
Yes, i am ready, he told her. Tickle me please, he said.

Okay, here i come. Remember, no smiling or laughing and tell your body not to make you giggle, she told him.

Okay Mama, i am ready, he told her excitedly.

Stay strong, he told his body.

When Keyur's mother tickled him, he did not laugh at all.

Thankyou for teaching me how to be a superhero Mama. Now i can be one too, Keyur told his Mama.
