Level 1

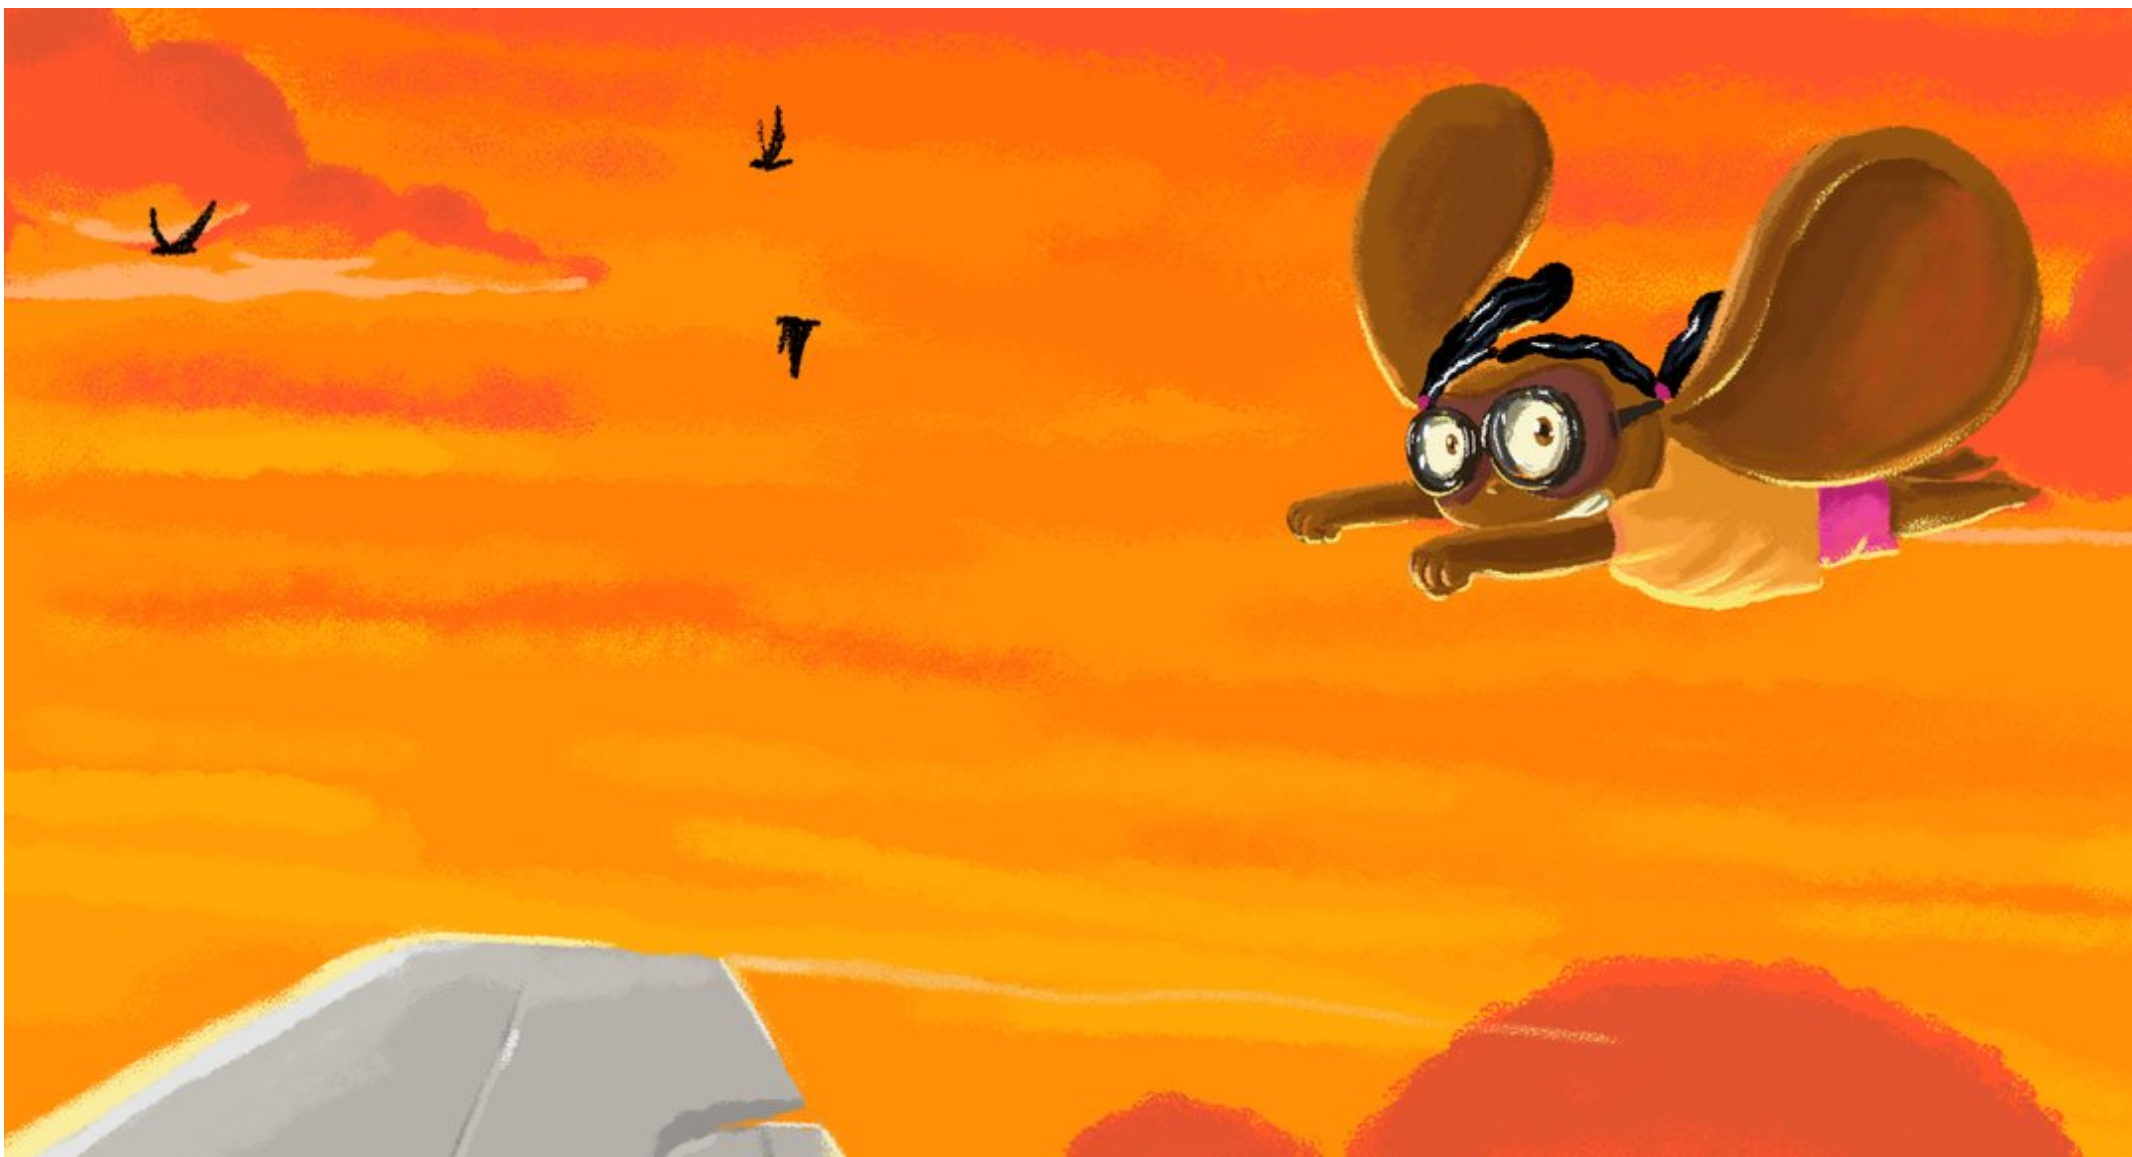

My name is Angel, I never give up! My dream is to become a superhero! I will never give up on my dream and I will always have hope that my dream will come true!
I will never give up!

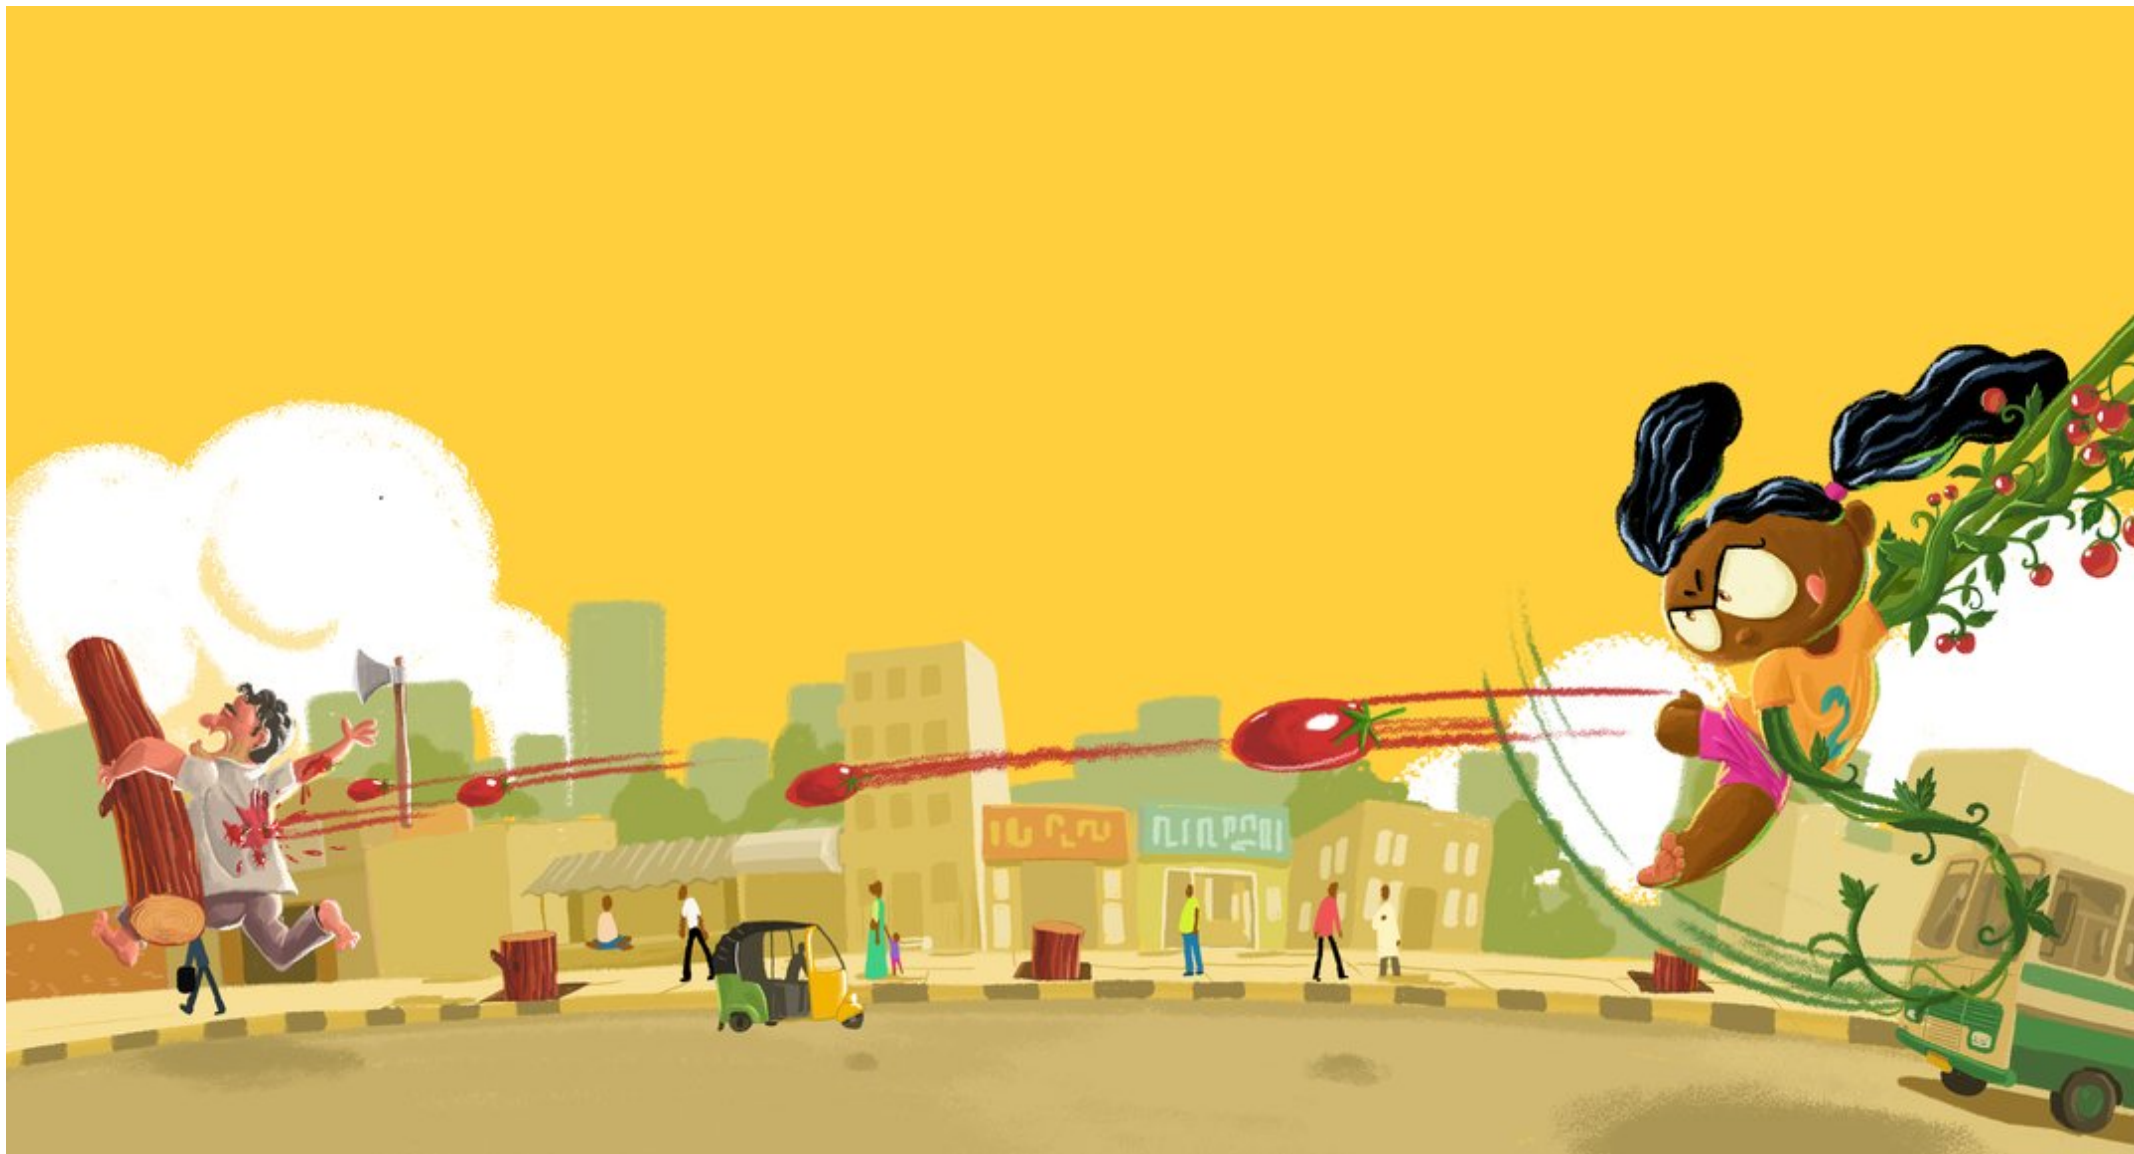

Everyday in class, I always think about my dream to be a superhero, I think of how many adventures I can go on! I will never give up on it! I will try my best to become a super hero! I always imagine that....

When I press my belly button, I can have big ears and fly like an eagle! or like dumbo the elephant!

I can see the world and fly next to the airplanes and birds in the sky! I can fly as fast as the wind!
I can become a superhero and fly everywhere if I never give up and I always have hope that it will happen!

When I am a superhero I can do what's right! I can stop bad guys from doing bad things! I can always be hopeful that the world will be better because I am catching all the bad guys! I can make the world better if I never give up and try my best! and always be hopeful for the future!

I can go on many adventures if I never give up to become a superhero! I can be brave and jump in a volcano because I'm very brave!

I love to be a superhero because I can do so many things!

I will never give up on my dream to be a superhero and always try best to become a superhero!

"Oh no!" thinking too much of all these adventures, I didn't realise I am missing out in my mathematics class! That's not a good sign!

As of this moment it's my math class , I'll need to focus back on my studies.

Because I can be a superhero to my parents when I can get high marks in my exams! I will first focus on doing mathematics! it is very hard, but to me, I am already a superhero, because I never give up and I want to keep trying my best even if I fail at times!
