This is the Shapes Family.

Today, the Lantern Competition was announced in their town.

The Shapes get ready for the competition.

## Circle got to work.

But, he wouldn't let his little sister Triangle help him.

Ms. Rectangle said to her, "Make a lantern with triangles!"

Circle made a lantern with circles. He showed it to Mr. Square.

Triangle made a lantern with triangles.

"Don't you think we are using the same old shapes?" asked Circle.

Triangle agreed.

Together, they made a new lantern with circles *and* triangles.

Mr. Square made a lantern with squares.

The Shapes finished making their lanterns.

The winning lantern design was announced.

It was the circle-triangle lantern!
