Level 2

This is Madeline. Madeline is a dancer. She works hard and practices every day so that she can keep learning new steps in ballet. Madeline likes to do ballet. She especially loves to perform in a theater in front of a huge audience. Nothing can keep Madeline from doing what she loves.

Here is Mimi. Mimi is a doctor. She works all day long to treat her patients. Mimi loves interacting with her patients. Nothing matters more to her than taking care of others. Mimi balances all her responsibilities well. She takes care of her family and the hospital too.

This is Anna. Anna is an architect. Some people told her that men are meant to be architects and not women. But Anna did not listen to them. She believes that women can do anything they want to do. Anna loves her job. She is capable of doing it just as well as anyone can.

Anushka is an astronaut. She works for ISRO. ISRO stands for Indian Space Research Organization. There are not many women in the field. Anushka is brave and courageous. She used to dream about space and rockets when she was little. Now, her dreams have come true. Anushka loves her job.

Madeline, Mimi, Anna, and Anushka are all dedicated, compassionate, and strong women. They are leaders in their field and strive to work for the benefit of others. They believe in themselves. They can achieve anything they set their mind to. And so can you.
