Level 1

One day, a snail was sliding along in a garden. After some time, he felt very hungry. He kept on moving till he saw an apple tree.

Three apples had fallen down the tree.  
He slid ahead as fast as he could towards the apples.  
He opened his mouth and took a bite. CRUNCH! YUM!

But when he took a second bite, he saw many worms inside the apple!

The snail was very scared. He thought they were snakes!

The worms wriggled out of the apple.  
They saw the snail, its enormous eyes and tentacles like two huge horns.  
"It's a monster!" the worms screamed and wriggled away in fear.

The snail was happy. He could now enjoy the apple all by himself.
