Level 1

Once upon a time, there was a girl called Nina. She loved butterflies a lot. One day, Nina saw a lot of butterflies sitting on a flower bush. She wanted to touch and see them. So she ran but the butterflies flew away and she came back sadly.

The next day, Nina again went to the flower bush to see the butterflies. But when the butterflies came Nina's mother called her and she couldn't see them.

After awhile, Nina came back to the flower bush but it started raining. She waited and waited and waited for a long time. When she really got tired of waiting, she decided to go back home.

The next day, she said to her mother rather crossly, "This is the final day, that I am going to the flower to see the butterflies."

After a few minutes, she went back to the flower bush and all the butterflies came. Nina happily played with all of them and she called her Mother and said, "I saw a lot of butterflies come and take a look at it, mother." Both Nina and her mother, enjoyed the butterflies together.
