**Author:** Abhijoy Sinha

Level 1

The Sun saw the fishes playing in the pool,

They all had friends, isn't that cool?

Good friends are like boon.

So, the stars were friend with the moon.

Everyone had a friend but Sun did not

Because, it was big and very hot.

The Sun was sad all day and night,

But then came to the Sun a beam of light.

The Sun looked up and saw it's the Moon

Trying to cheer up the Sun, with a new tune.

The Moon said to the Sun

"Do not be sad, Sun!"

The stars are far and angry and I have none."

"We can be friends and we can play."

The Sun's face lit up with a smile that day.
